## JEN'S JIVE

Hello BEST ambassadors ever...a few comments from the desk of membership...1) as of today we are at 1557 members!!!! 2) just a reminder how important the new member calls/visits are...I send an email to EVERY new member welcoming them and I mention they will be getting a call from one of our ambassadors to welcome them as well... I have gotten two emails back one month later stating they have not been contacted by their ambassador yet...so members are looking forward to the call and it is a fulfillment piece that we owe them. So thank you in advance for not only contacting these new gems but also letting us know how the meeting went... THANK YOU!

Also thank you to all of you for helping the Chamber be the best it can be...whether that is helping us with new members or helping us will current members...thank you to all for all you do for this Chamber and our business community!
